

Wednesday 12th December

Dear Parents/Carers,

The time is upon us that we are a week away from our Key Stage 2 Christmas Production. You and your family are hereby invited to join us in celebrating the children's efforts in watching their stunning performance. "

The first performance will be 1pm on 19th December in the school hall.

The evening performance will commence at 7pm and all children need to return to school by 6.40 to get ready.

The performance is based on school children putting on a play within a play. Therefore costumes are not necessary. Thank you for your co-operation.

Please indicate below how many tickets you require and for which performance. A maximum of 4 per family per performance please.

Merry Christmas

Mrs Price and Mrs Lee
