

STENBURY FEDERATION

KS1/KS2 Class Teacher

The governors of Stenbury Federation are looking to appoint an experienced classroom teacher to join our improving schools and forward thinking team delivering the very best learning experience for our children.

Stenbury Federation is a group of three small Isle of Wight village primary schools which benefit from strong support from their local communities. Staff work hard to provide the very best for their pupils and are valued for the contribution they make. In return they receive the support and training to enable them to be the best they can.

Governors are seeking to appoint a teacher who can demonstrate excellent classroom practice with high standards of teaching and learning, committed to meeting the needs of all pupils and with the skills to engage positively with colleagues, parents/carers and families. A teacher who is motivated and passionate about improving pupils' life chances, a teacher who is reflective about their work and has a commitment to their own professional development.

Stenbury Federation is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. All successful candidates for posts working with children will be subject to relevant disclosure and barring (DBS) checks and references.
