

Year 1/2/3

English:

The Adventures of Paddington Bear – We will look at the adventures of Paddington. We will use this to learn about adjectives, verbs, adverbs and past tense. We will be writing a letter to Aunt Lucy and will finish the topic by writing our own adventure story for Paddington.

Poetry – Rumble in the Jungle. We will be learning about rhyme and writing our own Who Am I? Poems.

Physical Education: Daily movement calendar, Netflix workout lessons, challenges based around ball control.

Religious Education: We will be learning about Christianity and Judaism this term. We will focus on key events in Jesus' life, Belonging in Judaism, People Jesus met (change) and Special books.

Modern Foreign Languages:

We will continue to recap our prior learning.

PSHE:

Daily wellbeing work.

I Know my Rights! – Looking at the similarities and differences of others and knowing that we have rights and responsibilities. We will cover bullying and online safety as well.

Class Curriculum Web

CREATE: (Curriculum Focus)

Art: We will learn about pointillism, what it is, how it is created and the artist behind its creation. We will explore technique and colour, all leading to create our own piece of pointillism art.

Music:

We will continue to follow our learning journey on Charanga.

CREATE

The Arts - 'An Exotic Forest'

Our Island – Ventnor Botanical Gardens - *Wellbeing, Tranquillity, Peace, Responsibility*

Our Country – The Eden Project - *Sustainability, Transformation, Diversity, Community*

Our World – The Rainforests
Individuality, Truth, Choice, Influence

DISCOVER: (Curriculum support)

History:

N/A

Spring 1

Mathematics:

Whole class – measure: Length, mass, capacity, and time. Continued learning of basic number facts and times tables.

Year 1 – addition and subtraction within 20. Using what we already know to help us add across 10.

Year 2 and 3 – Multiplication and division. Introduction to arrays and repeated addition.

STEAM

Science: Mrs Smith's weekly science challenge. A weekly investigation is set by Mrs Smith, you will be exploring the different aspects of investigations, from predicting to carrying out the investigation to writing or discussing your conclusion. Habitats – learning about what living things need to survive and different kinds of habitats around the world.

Design Technology: Textiles and materials – we will be designing a new coat for Paddington. We will look at a range of materials and decide which would be best for a coat for Paddington's adventures.

Design and create a meal for Paddington.

Computing: We will be recognising the common uses of information technology beyond school and learning about e-safety.

EXPLORE: (Curriculum support)

Geography: Continue to learn about the continents and oceans of the world, linking to rainforests. We will compare a contrasting area of the world with the Ilse of Wight.
