

## **Intent of Our Curriculum**

At Chillerton and Rookley Primary School we believe that learning should be fun, purposeful and challenging. Through our effective curriculum we aim to equip each child with the skills they need for lifelong learning.

- We aim to develop confident learners who take ownership of their learning and are proud of their achievements.
- We believe that every child matters. Through positive attitudes and partnerships we endeavour to develop the whole child, meeting individual needs in a safe and secure environment where differences are celebrated.
- We believe that all members of our school community should work together to maintain a safe, inclusive and stimulating environment.
- We aim to promote sustainability and an awareness of wider global issues through our curriculum and the links made with our local and global communities.
- We believe that good teamwork and positive partnerships with our children, colleagues, governors, parents and the wider community will lead to effective teaching, high standards and successful learning.

We have 4 values at our school:

**Challenge**

**Achieve**

**Respect**

**Enjoy**
