Friday 7<sup>th</sup> June 2019

Dear Parents and Carers,

**'Dinosaur Fossil Hunting'** trip to Brooke Beach on Friday 14<sup>th</sup> June 2019.

(This is an amended letter with some new information.)

The children have really enjoyed finding out about dinosaurs and using the theme to practise important skills. This will be a lovely end to our topic and it is even more special having a professional palaeontologist with us, who will be talking to them about the Jurassic coastline, dinosaurs and fossils.

We are now using a coach to transport the children to and from the beach because the logistics of using two mini bus trips is complicated. We would really appreciate it therefore, if you could donate £2.50 to cover the cost of the transport. If you are able to offer parental help for the trip, please could you also let me know.

We plan to visit the beach in the afternoon due to the tide times. The coach will depart at 12.15am approximately and we will arrive back at school for dismissal at 3.30pm. We would like children to bring a packed lunch with them to be eaten early, before the journey to the beach. Please could you also pack a healthy snack for your child and make sure that they also have a bottle of water with them. After an early lunch, they will be able to eat their snack later, on the beach, before returning on the bus.

On the day please can we ask that children wear sensible clothes and shoes with a good grip that will prevent them from slipping. A trainer might be the best choice or a walking boot or wellington. There is no need for them to wear school uniform. Children will need suitable sun protection, including sun cream applied before coming to school and a hat. Your child will also need a light weight waterproof jacket if the weather forecast turns out to be wet. If the forecast is very wet and windy the trip will be cancelled and either rescheduled or changed.

On the trip we will need to be vigilant of safety. We will be talking about how we can help to raise their awareness of this important issue. If you have any concerns, please let me know.

Please complete the permission slip below and return to the school office by Monday 10<sup>th</sup> June 2019, if you have not already done so.

Kind Regards, Mrs Evans.
