12th February 2021

Dear Parents and Carers

As we reach the end of another extraordinary half term, I would like to thank you all and especially the children for working so hard to learn at home and remain focused. It has been no mean feat. As a parent, I fully understand the challenges that families have faced over the last couple of months. All families, I am sure, have had ups and downs as we cope in these most peculiar of times. We are all striving to do the best we can and hold on to the hope of brighter times ahead.

Over the half term break, please get your children out for walks and exercise in the fresh air and try to limit their time in front of the computer or the TV. They need a break from their school work and time to recharge so that they come back next half term refreshed and energised.

Our staff have been incredible and they too need a break. I cannot emphasise enough how diligent and committed our staff have been in supporting your children, be it in school or working remotely. I would like to take this opportunity to let you know how much all the staff have appreciated your kind messages of thanks and support, thank you.

After half term we will hopefully hear of news regarding the return to school for all pupils. As and when we know the Government's plan, we will kick into gear to be ready to welcome all the children back. We have missed them and I know how much they have missed their friends and routine of school. Please keep an eye out for updates in the coming weeks.

We all look forward to the future and working together. I am sure we can start to be more optimistic as we move forward.

Please have a restful half term.

Yours sincerely

Mr Mark Snow
