# Chillerton and Rookley Primary School

Interim Executive Head: Mr Mark Snow

Lead Teacher: Mrs Sam Price

Welcome to the penultimate half term of the year; it is predicted to be the busiest yet with trips and sports days already pencilled in and year 4/5/6 working on the summer production. With Move-Up day almost upon us, the children have been working exceptionally hard to be the role models for the future year group. The theme of the week for next week is resilience as we have been teaching our pupils to never give up and keep trying our best at all times. As it is often seen as the fun half term we will also be having a target on the behaviour strand "focus" in order to have a positive impact on our learning this half term to enable accelerated progress within the Autumn term. As soon as it is finalised, the class structures will be released for September. Please be rest assured that Mr Snow is working diligently behind the scenes to ensure the best possible options for the fabulous children at Chillerton. At the last parent coffee morning it was thought the class structures will likely remain similar to the current model.

Progress from the Ofsted inspection was commented on from local authority advisors this week, who were particularly impressed with the writing in Class 1 and the progress made within maths lessons in Class 3. Displays and writing around school along with class environments – particularly the castle in Class 2 were also celebrated. We appreciate your feedback so if you have any suggestions please do not hesitate to make an appointment with myself through the school office.

Success all round for Class 3 this week as we all smashed the Sumdog X table challenge homework. As a reward, I would like to give Class 3 a 10 minute extra play time on Monday afternoon.

Class 2 were a real credit to the school yesterday, their behaviour at Carisbrooke Castle was impeccable.

Let's hope for a return of the sunshine next week. Have a lovely weekend.

Mrs Price
