We have come to the end of another busy half term. School has been buzzing with energy and creativity in abundance as Class 1 learnt about Dinosaurs, Class 2 Fairy-tales and Class 3 America.

After School Club have created a wonderful scene of Goldilocks and the Three Bears with school creating a wooden spoon village for the Scarecrow Festival. Please do take a look around all the creations in the village over the coming week.

We are very fortunate to have an amazing outside space and Forest School has been running weekly. The children love getting out of the classroom for some hands-on learning, this will continue next half term for another group.

It's not all play through, Year 2 and 6 have completed their standardised assessments SATS and we are very proud of them. Class 1 children are enjoying taking responsibility for their classroom and outside area which has had a mini make-over.

Reading has been the focus for all children, we have a reward system in place to encourage reading at home, children are able to gain prizes or bank points. We have had some children read well over 100 times earning themselves a free book!

We look forward to the next half term where we will prepare for the end of year production, sports day and exciting trips and events. Please keep an eye out for letters, texts and updates on Facebook.

We continue with our ethos of C.A.R.E and in assemblies have been focusing this term on Respect and Resilience.

Have a lovely bank holiday weekend and half term break.

**ISLE OF WIGHT SAFEGUARDING CHILDREN BOARD 2019/20**

**Do you know what your child is doing online?**

The LSCB is holding a 2 hour information session for parents/carers and professionals on what children are doing, accessing and viewing online. And importantly, what controls can be put in place to manage the risks (including internet, app and website settings). The session contains practical content and advice that will really make a difference.

- Understand how children use the internet and technology
- Identify Risky behaviours
- Understand the contact of Sexting
- State what radicalisation and extremism are
- Define what Grooming is
- Providing parents and carers with digital resistance

**Attendance is free and highly recommended**

Previous attendees have said:

"A well presented course, very factual and appropriate use of 'shock tactics'. Certainly food for thought"

"I am very impressed with the session"

"Really glad I came, have learned lots! Thank you"

"As a professional the session was useful and will enhance our parenting programmes in as much as providing parents with so much information"
